Re: *United States v. Martoma*, No. 12 Cr. 973 (PGG)

Dear Judge Gardephe:

We represent the University of Michigan (the "University") in the above-referenced matter. Pursuant to the Court's September 24, 2013 Order, and the extension that your Honor subsequently granted the University, the University is required to electronically file certain documents by today. We contacted criminal court docketing, and we were advised that we are unable to file these documents without being added as party to the matter on ECF. We have contacted your chambers, and understand that in order to be added as a party, we must make a letter request to the Court. Accordingly, we hereby respectfully request that the Court add the University as a party to the above-referenced matter on ECF, so that the University may comply with the Court's Order.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Barkow".
